

Within days of release, "**Songs From Before**" rose to the #2 position of the [Top 25 for June](#) on the widely respected "

Echoes" radio program,

which is

[broadcast on 130 radio stations throughout North America](#)

. In addition, the album was selected as Echoes CD of the Month for July!! The album review that

Echoes

wrote praised

"Songs From Before"

"Sherry's Songs from Before is a haunting album in every sense of that word. It summons up spirits from a distant past, childhood memories of hearing these songs on her father's knee, and yearning for a lost time, while also placing those sounds in the modern sonic landscapes of the 21st century." - Echoes
